Tuition: The annual tuition charge may be paid in advance or by a specific payment plan schedule.

There is a 10% discount in tuition for additional siblings. *(The discount is calculated by tuition levels in descending order.)*

Please refer to the "Financial Contract & Agreement Form" for details and arrange your plan with the Registrar.

If you wish to pay monthly, choose a plan that best fits your summer budget.

On the 12 month plan, the first payment begins June 1st, with the final twelfth payment due May 1st.

The basic 10 month plan is August – May. There is also a plan where the first payment is paid June 1st, *(skip July)*

and the second payment is then due August 1st. The final tenth payment would be due April 1st.

Billing statements are sent via e-mail each month for parent payment plans. Set up your ParentWeb Acct.

Statement of Account: Your family's tuition statement and balance report (along with grades, assignments and student information) are available on-line. Activate your own EC-FL (school code) Parent Portal at FactsMgt.com with your e-mail address. Monthly statements are e-mailed from ECS to all families.

Late Fees: \$40.00 per month is assessed for tuition and/or school fees received after the 10th of the month.

Scholarship Awards must be approved online by the Parent to avoid a personal family account late fee.

Referrals: For each new student formally recommended to ECS, a referral discount of 10% of a student's annual tuition can be earned and credited to your family account, after they have completed one semester. This referral recommendation must be noted on the new student application at the time of enrollment. The recommending parent must notify the school office in writing with a "letter of recommendation" before the enrollment becomes final. Multiple referrals for a single student are not eligible for credit. This is a "credit on account" and has no cash value.
