Tuition: The annual tuition charge may be paid in advance or by a specific payment plan schedule.

Please refer to the “Financial Contract & Agreement Form” for details and arrange your plan with the Registrar.

If you wish to pay monthly, choose a plan that best fits your summer budget.

On the 12 month plan, the first payment begins June 1st, with the final twelfth payment due May 1st.

The basic 10 month plan is August – May.

Statement of Account: Monthly statement is e-mailed each month for parent payment plans from ECS to all families.

Late Fees: \$40.00 per month is assessed for tuition and/or school fees received after the 10th of the month.

Scholarship Awards must be approved online, as required by the Scholarship, by the Parent to avoid a personal family account late fee.

Referrals: For each new student formally recommended to ECS, a referral discount of 10% of a student’s annual tuition can be earned and credited to your family account, after they have completed one semester. This referral recommendation must be noted on the new student application at the time of enrollment. The recommending parent must notify the school office in writing with a “letter of recommendation” before the enrollment becomes final. Multiple referrals for a single student are not eligible for credit. This is a “credit on account” and has no cash value.
