**Tuition / Parent Pay:** The annual tuition charge may be paid in advance or by a specific payment plan schedule.

**Tuition / School Choice Scholarship:** Step Up for Students awards vary by grade level. Scholarship Awards Do Not cover all fees. If a tuition deficit is calculated the parent will be notified of the total amount and any required payment. Balance for the Student(s) Tuition Deficit may be paid in full or a payment plan request is submitted to the Registrar, subject to Administration Approval. Payment plan shall begin with an August 1<sup>st</sup> payment.

Please refer to the "Financial Contract & Agreement Form" for details and arrange your plan with the Registrar. If you wish to pay monthly, choose a plan that best fits your summer budget. For full tuition "Parent Pay" only there are two plans available. With the 12-month plan, the first payment begins June 1<sup>st</sup>, with the final twelfth payment due May 1<sup>st</sup>. The basic 10-month plan is August 1<sup>st</sup> – May 1<sup>st</sup>.

**Statement of Account:** Monthly statements are e-mailed each month for parent payment plans from ECS to all families, whether full student tuition Parent Pay or for students with a SUFS Scholarship Tuition deficit.

**Late Fees:** \$40.00 per month is assessed for tuition and/or school fees received after the 10th of the month. Scholarship Awards must be approved online, as required by the Scholarship, by the Parent to avoid a personal family account late fee. SUFS Disbursements Not Approved by parents within 10 days are subject to late fees.

**Referrals:** For each new student formally recommended to ECS, a referral discount of 10% of a student's annual tuition can be earned and credited to your family account, after they have completed one semester. This referral recommendation must be noted on the new student application at the time of enrollment. The recommending parent must notify the school office in writing with a "letter of recommendation" before the enrollment becomes final. Multiple referrals for a single student are not eligible for credit. This is a "credit on account" and has no cash value.
