## Welcome Back, ECS Students!

Since school started last month, much has happened. And, now that we're rolling into fall, it's time to get into the festive, cooler weather spirit! Even though at times some school days seem to drag on, there is so much coming up to be excited about, including Homecoming for students grades 7th-12th. In addition, students have Oct. 13-14 off as the teachers and staff will be attending a convention. So, get your ECS spirit on and make a difference at your school this year!
