Science News...Solar Eclipse Success!

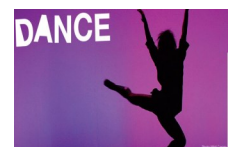

Thanks to our high school science department's very own Mrs. Gillespie and Mr. Shepherd, all students had fun, outer-space themed activities and snacks in celebration of the famous solar eclipse on August 21st! Students in middle and high school were even provided with special viewing glasses to take in this rare and breathtaking event! Thank you to those who came, as well as those who helped!

Sports News...we have a new sport!

If you are new to ECS and are not familiar with our sports program, you will be happy to know that we offer volleyball, soccer, basketball, golf and, now, dance. That's right, **dance**. Joy Bergman, a Senior, has formed a dance team comprised of both middle school and high school students. The team will dance during halftime for basketball **home** games. Their job is to stir up school spirit by holding up signs and cheering on the basketball teams when the games are being played. The squad has room for two more dancers, but you must let Joy know by Friday, **September 1st**. **A sign up sheet is on the bulletin board in the FLC.** Dance experience, although helpful, is not required. It's gonna be a lot of fun! **Go Eagles!!!**
