ECS Extra Curricular Activities Statement of Cooperation

Every participant in extracurricular activities must personally sign, and have a parent sign this statement of agreement to participate in any school activity.

I understand the guidelines as follows:

1. My involvement in this group is a privilege and NOT a right. Therefore I will do my best never to take this privilege for granted or involve myself in any action that will bring reproach upon my testimony of the group or school.
2. I will represent Jesus Christ and ECS while being a member of this organization. I will consistently evaluate my actions and attitude to see that they are honoring to Christ. I will display the utmost respect towards all coaches/leaders during all activities.
3. Because this activity will take extra hours that are not spent by most other students, I am willing to work harder to complete my assignments and responsibilities without complaining. My academic status must stay in compliance with the policies set forth by the school or I will forfeit the privilege of participation.
4. My attendance at school is a priority over my involvement in any activity. If more than half of the school day is missed, I will NOT be able to participate in that day's activity. Any exception must be specified by administration.
5. My promptness and attendance to all practices and scheduled activities is mandatory. The success of my team/group depends on each person's faithfulness.
6. Transportation to and from the activity will be provided by the school unless I am traveling with my parents or have written permission from my parents to travel with someone else. The coach or leadership must be notified of this in advance.
7. An updated sports physical and the required sports fee must be turned in before receiving a uniform.

8. Any choice of apparel worn in athletic activities MUST be modest. Shorts and tops are required to be loose fitting. Compression shorts and sports bra's (female) should be worn under garments. Violation of the rules can result in suspension from games or removal from the team.

9. Drugs, alcohol, or tobacco products are prohibited AT ALL TIMES. There will be NO tolerance for vulgarity nor profane language. Hazing and practical jokes are also not allowed. Violation of these conditions may result in suspension and/or dismissal from the team.

10. As a parent or guardian I will agree to help with at least **two shifts of concession help or collecting money at the door.**

I understand and agree with the above conditions. I realize as a member of an ECS team I must abide by them for my benefit and for the benefit of the whole team.
